

In this unique hotel, the rustic way of life is interwoven into the Orixas's sophistication and comfort. Sculptures,

paintings, and other pieces of art find themselves integrated in the natural vegetation preserved in the Hotel.

Strongly believing in maintaining harmony with the surrounding nature, Orixas Art Hotel was built by trained local labor using the organic materials of the region. The first class service of Orixas, implemented and supervised by the owners, guarantees special attention to each and every visitor of the Hotel.

The Orixas Restaurant of Flecheiras is founded upon the highest levels of quality and service acquired through 28 years of tradition and experience gained by the development of the Orixas restaurants in São Paulo and Portugal. These restaurants pride themselves in providing only the best of the Brazilian and international cuisine.

The ten individually-themed Orixas suites perfect the concept of rustic luxury. Offering varying sizes catering to the needs of its guests, the majority of the suites contain private outdoor Jacuzzis or lagoon-like swimming pools with expansive terraces and breathtaking views. While some rooms are fully enclosed, others are partially outdoors, creating an elegant yet nature-inspired ambience.

Guests of the Orixas Art Hotel can also take advantage of the Mataganza property, located only a few minutes from the hotel, where spa amenities are being developed. The 161,458.66 square feet retreat is surrounded by sand dunes and is complete with ten bungalows, a pond, kitchen and barbecue facilities, and ample meeting space for large groups.

Flecheiras, a small town within the Trairi district, is located in the northeastern state of Ceara, Brazil. Only a 120km drive from Fortaleza, this hotel makes itself accessible to passengers coming in from Fortaleza's international airport. This simple fishing village is blessed with the warm waters of the equatorial Atlantic Ocean. The precious coral reefs offshore create splendid natural pools during the low tide. The palm trees, lagoons, and endless sand dunes paint a unique scenery. The constant breeze makes the location ideal for wind related sports, such as kite surfing, and maintains the temperature between 25C and 32C 365 days a year.
